About Company

☐ Provided by Customer

Reliable. Experienced. Professional.

Since establishing in 1977, Plastico Corp. is a proudly family owned business in Taiwan. Our heritage of providing great products into the Residential, Commercial, Landscape and Drip Irrigation industry help customers meet the global need for efficient water distribution . Our people here at Plastico are passionate about designing and supplying the best garden water product range - seeking to create the best irrigated solution for every projects.

Our experienced engineers and product developers, with a wealth of knowledge on plastic materials and the tool and manufacturing process, create quality and cost-effective items. The products undergo fastidious field testing so that resulting in a defect-free, quality product worthy of the Plastico name. Plastico promotes a "quality" culture throughout the whole company and this is reflected in all aspects of the organization including management level, sales and marketing, R&D, manufacture and logistic.

As a partner of the green industry, we strive to be a role model in CSR. We endeavor to reduce impact on our environmental through packaging redesign, process improvement, employee training, smart material selection, and equipment upgrades. Our founder, Mr. Charlie Chou, establishing the Charlie Chou Charity Foundation in 2002; not only assist in changing lives and communities, also continue to implement the concept of environmental protection and provide employees with a better life as its own responsibility. We hope that in the future, we can contribute more to the environment, provide more efficient and water-saving products for your garden and make PLASTICO be your only and the best choice when selecting irrigation related products.

Your Garden, Your Choice, Your Plastico!
