About Company ❑ Provided by Customer

Azureland Organic Co., Ltd., established in 2006, is a leading provider of organic baby and kids garments and accessories. Our primary goal is to promote the use of organic cotton, thereby reducing the extensive reliance on pesticides in the cotton industry and minimizing the use of hazardous chemicals in textile manufacturing. By advocating for organic cotton, we strive to protect the health of cotton farmers, garment producers, users, and, most importantly, our planet.

We specialize in professionally designed products for infants and children aged 0-12 years. Our range includes a wide selection of organic cotton items such as cloth diapers, rompers, T-shirts, pants, dresses, underwear, socks, towels, and face masks, offering a diverse array of organic clothing options for children.

Our brand, Azure Canvas, is now synonymous with trustworthy and affordable organic cotton products in Taiwan. We are proud to export our merchandise to countries such as China, Hong Kong, Malaysia, New Zealand, and Canada.

As a socially conscious enterprise, we are committed to serving the environment and invite you to join us in promoting the use of organic cotton. By collectively embracing organic cotton, we can make it a mainstream choice and ensure a safer and more sustainable future.
