About Company

☐ Provided by Customer

Genn Dih Enterprise Co., Ltd. was established by Mr. Chia-Mou Wu in 1980. Kao Lu is a forerunner in providing electro-pneumatic valves. We have been dedicated to supplying premium quality pneumatic components such as solenoid valves, cylinders, and ancillary accessories. Kao Lu has devoted time and effort to the Taiwanese market for four decades and currently has an office in Shanghai to provide high-quality in-house products in the Greater China market. Kao Lu continues to innovate and enhance products of flow and pressure control valves and develop modular products convenient for customers to use.

Kao Lu's products are available in the international market. We welcome high-quality and professional local distributors to partner with us to introduce Kao Lu's high-quality flow and pressure control valves in the international market.
