About Company

☐ Provided by Customer

Jin Hui Cooling was founded in 1990 as part of the Jin Hui Group. We are committed to providing more reliable industrial cooling solutions with a focus on customer experience. After years of experience in industrial cooling, we realized that industrial manufacturers need not only quality cooling equipment, but also professional and effective experts and consultants to solve their industrial cooling problems. Therefore, we decided not to just supply equipment, but to build a professional consulting and service team to provide customers with professional services from consultation, evaluation, planning, installation to maintenance, to create professional and effective industrial cooling solutions to ensure long-term and effective solutions to industrial cooling problems, so that the production process is more stable and less worry.

【Action Guidelines】

With the spirit of “CATCH” as our guideline, we uphold Client-Centric, Action, Technology, Care, and Honest to our clients, “CATCH” the hearts of our clients and becomes a professional and reliable industrial cooling consultant in the hearts of our clients!

【Our Vision and Commitment】

Our vision is to become the world's professional cooling solution provider, so that every manufacturer can have the best customized industrial cooling solution, so that production will no longer be affected by cooling problems, and clients can focus on what matters more.
