About Company

☐ Provided by Customer

Established in 1985, we, MULTI-TECH PRECISION INDUSTRY COMPANY LTD., are the company focusing on the fog nozzles manufacturing and is everything you would expect. MULTI-TECH PRECISION INDUSTRY COMPANY, LTD., is everything you would expect from a business that has grown over three decades.

We are one of the world leading fog nozzle manufacturers. With a quality of product second to none, we are able to provide a range of specialized fog nozzles for different purposes. Our competitive advantages include design, development and manufacturing expertise, excellent production quality, reasonable pricing and fast on-time delivery.

Our core business remains fog nozzles used in high-pressure fogging systems and low pressure misting systems. We focus on the development and manufacturing of fog nozzles which create uniform micron-sized water droplets; in order to manage temperature, humidity and to fulfill atomizing requirements.

Our nozzles are patented in the U.S.A. (No.5,857,620), GERMANY, JAPAN, CHINA and TAIWAN. Natural Fog nozzles are suited to satisfy evaporative cooling, humidifying, landscaping, dust suppression, and administering chemical concentrates requirements.

In short, we are in the business of environment control through humidity and temperature management.
