About Company

☐ Provided by Customer

Tymi Machinery is a leading manufacturer of UV spot coating machines in Taiwan. Strengthened by over 50 years of experience in paper converting machinery, Tymi has multiple machine models, USTAR-SERIES (UV spot coating machine), VENUS/URANUS (roller coating machine for flood coating only), COMET-126 (calendering machine), OCTANS-SERIES (film laminating machine), LODESTAR-SERIES (flute laminating machine), PLANET-260 (flexo printer slotter) and so on. Besides in-house equipment manufacture, Tymi had diversified businesses in external machinery trading, material sale, coating service, maintenance service, and image design. Now, Tymi specializes in offering UV spot coating machines with variety of format, speed, structure. We insist on quality & service guarantee, and emphasized innovation of design to satisfy worldwide users.
