## About Company

 Provided by Customer

Teamyoung Corporation has been making MLCC since 1990. Now we focus on designing our smart power control solution for different business operations. We are unique and we think differently about our products. We took long-term perspectives about our product and focus on innovating power control solutions.

We always work by following our core value "smarter living, better life!"

We sincerely want to become the personal partner for every client and make everyone's life better!
