### About Company

☐ Provided by Customer

Founded in 1969, ISO 9001 certified, KNH has been dedicated to innovation that leads to life quality improvement and environmental protection for over fifty years.

With production sites based in China and Taiwan, KNH, the nonwoven specialty manufacturer has constantly advanced its technology platform covering from personal care hygiene to skin care and later into industrial and commercial filtration specialty arena.

Over the period of 1999-2024, KNH was ranked among top 40 leading manufactures worldwide by US based Journal -Nonwoven Industry.

KNH's central R&D center located in the southern part of Taiwan and it has 90 issued patents. Its nonwoven technology covers air through, calendar bond, melt-blown, air-laid, composite air-laid, and spunlace. KNH is committed to continued investment in technology innovation.
