About Company

 Provided by Customer

Founded in 1983, Top Well has more than 40 years of experience as a professional manufacturer of “locking pliers and related products” .

We manufacture various locking pliers and even customized tools.

Over the past years, Top Well has always provided a large variety of products and the best quality locking pliers.

We not only create and sell products, but also offer overall solutions. With our rich experience in the industry, we can customize production based on the customer’ s demands.

Our vision

“To become the most competitive and productive pliers manufacturer”

We are committed to constantly improving and innovating our products.

We will keep elevating our core manufacturing and marketing capabilities.

We will keep trying to provide the most reasonable price and creating the highest value.

We are looking forward to satisfying the consumers’ demands globally.

Our value

Our operating principles are “honesty, quality, diligence and innovation” .

Our mission is to win the satisfaction and recognition of our customers and users.
