### About Company

☐ Provided by Customer

Founded in 1999, (T&t) Miin Luen Company is one of the world's leading manufacturers of wheel hub ass'y as well belt tensioners & pulleys, and the biggest one in Taiwan. Over the years, the company's brand name is well known throughout the world with export destinations already spanning across North and South America, Europe, Australia, Southeast Asia, The Middle East, and China.

We continue to stress the development of better sales network, product innovation and reliable customer services. Furthermore, our continuous research and development efforts have been strengthening product quality. All of the company's products undergo comprehensive tests before delivery in order to guarantee that they are in prime conditions. In addition to elevating our product's quality and precision, our quality control department is well equipped with fully computerized testing machines and equipment in order to guarantee the final product's durability and function.

Having invested a lot of resources in developing our products, we are confident that our wide range and complete stock of wheel hub, tensioners and pulleys will meet your quality, price, and speed delivery demands. Try our products, they can increase your business.

Our Brabd:T&t

It means: Tensioner & Bearing specialist

Our Box:T&t sakura logo box.
