About Company

☐ Provided by Customer

San Jung Industrial Co., Ltd. (SANJEX) is a Taiwan-based manufacturer specializing in wheelchair parts, bicycle components, sulky wheels, jog cart wheels, and precision hardware such as indexing pins and knobs. With over 50 years of experience, we are dedicated to delivering ISO 9001-certified quality, innovative designs, and durable performance for customers in the global mobility and cycling industries.

Founded in 1953, SANJEX operates a fully integrated factory in Taiwan, providing OEM and ODM manufacturing services with advanced capabilities including CNC machining, metal pressing and bending, laser cutting, welding, mold development, and product assembly. Our products are recognized for their precision, reliability, and competitive pricing, and are exported worldwide to Europe, North America, Northeast Asia, Africa, and Australia.

Through complete and flexible production solutions, combined with consistently stable product quality, SANJEX has become a trusted supplier of wheelchair, jogger cart, and bicycle parts for leading global brands and distributors. Whether you require customized OEM components or ready-to-ship standard parts, we deliver the right solution to meet your needs.
