About Company

☐ Provided by Customer

Established in 1979, Welcome Co., Ltd. is a Taiwan-based manufacturer with over 40 years of expertise in developing and producing innovative, patented household solutions. We are best known as the original inventor of the Handy Sealer™, a global best-selling handheld bag sealer introduced in 1988.

From concept to production, our strength lies in delivering practical, compact, and durable products that enhance everyday life. Our current product lines include mini sealers, multifunction vacuum pumps for storage and food preservation, and high-speed air pumps – all designed in-house and supported by global patents and trademarks.

We offer reliable OEM/ODM services and are committed to long-term partnerships. Whether you’re looking to enhance your existing lineup or develop custom solutions, Welcome Co., Ltd. is your professional and flexible manufacturing partner.
