About Company

☐ Provided by Customer

PROMPT is a young, dynamic and professional manufacturer of machine tool, run by an experienced group of people. So far, our sales network has extended to over 30 countries around the world.

With complete structure of software and hardware, we conduct strict quality control to achieve maximum working efficiency, from casting mold design to process, from sheet metal design to cable wiring, and from parameter adjustment to work piece performance test.

As a customer-oriented organization, we put great efforts on creating mutual benefits for not merely we ourselves but also our customers. In 21 century, it is expectable to see more improvement, development and expansion of PROMPT.
