Three Decades of Industrial Experience

Cloisonné is an ancient technique with the complicated forming process for decorating metalwork objects; this will normally be made by different craftspeople. Evenvic Enterprise, a professional manufacturer and exporter of various cloisonné products, has been serving the industry since 1980. We produce several kinds of cloisonné souvenirs, such as souvenir ashtray, souvenir spoon, pocket pillbox, enamel bookmark. We have a team of skilled craftsmen and designers who are always making the new design in the different type of cloisonné souvenirs.

Strict Quality control and R&D team

We have a QC team who rigorously checks every stage of production, each piece of customer's order will be carefully examined again before shipment. And we also have R&D team, always making new innovative cloisonné designs and products.

The trait of Cloisonne merchandise: Colorfast and scratch – resistant

All of our cloisonné products are colorfast at least 20 years because they are hand – colored by the craftspeople. These cloisonné products are also scratch – resistant due to the higher surface hardness.
