About Company		☐ Provided by Customer

Since the epidemic, it has branched out into tourism and health-related industries, and has cooperated with Travelicon to develop a series of patented products such as perineal massage seat cushions, travel multi-functional neck pillows, travel storage groups and practical accessories.

In daily life, work and travel, there are often some inconveniences. Today, with the advancement of science and technology, life also needs to be more creative. Developing new products to make life more convenient is our continuous persistence to meet the needs of our customers and work with you hand in hand. Let's build a better life together.

In response to the resumption of global outdoor activities in the post-epidemic era, we have a variety of new inflatable toys to cooperate with you to develop domestic and foreign markets.

Our products are suitable for e-commerce, online celebrity KOL products, and innovative products of self-created brands. Customers are welcome to cooperate in the development of OEM/ODM, please contact us. Unique Vision International Limited. manufactures Easysave clothing quilt compression bag factory, patented electrostatic sealing compression bag factory, vacuum storage bag factory, water wave convection cooling pad factory, multi-functional inflatable neck pillow, warm massage seat cushion, Specially formulated natural essential oils, etc.

We develops and manufactures Easysave vacuum storage bag, which comprehensively improves the shortcomings and subverts your stereotypes about traditional vacuum storage bags. The patented electrostatic self-adhesive seal is easy to use and requires no skills. The special material can be folded at will, make use of valuable space effectively, no need for a vacuum cleaner, and it's also a good companion for home and travel. you can put it away anytime and anywhere, complete sizes, no worries about clothes and quilts.
