About Company

☐ Provided by Customer

JoyCom Group are R&D-oriented professional companies possessing 21 patents from Taiwan, Germany, Japan, China and USA, etc.

We own over 66 global trademarks and outstanding expertise at evidence-based science application, designing formulation and transforming the academics into commercialized products. We have also won awards such as Taiwan Excellence Award and The World Halal Best Brand Award.

With a mission of comprehensive medical care, we expand our business to Southeast Asia, Africa, the Middle East, China, and other regions. Its patented products have been sold globally for over 15 million units, covering innovative pharmaceuticals, medical devices, personal care products, animal medical care and patented raw materials. The corporation has been growing in the stable path.

Combining patented raw materials and technologies, we invest in innovative medical research and development, providing the following products and services:

- Drugs & Medical Devices
- Personal Care Product
- Animal Medical & Daily Product
- Patent Raw Material & Technology
- Brand & Formulation Development
- HALAL Certified Factory
