About Company

Provided by Customer

EVA GLORY is a company specializing in foam and providing integrated foam production solutions. As leading foam manufacturers and EVA foam suppliers, our R&D team focuses on EVA Foam material development, product design, prototyping, and testing, the team takes innovative concepts into full-scale production, with a wide range of foam material for extreme sports protections, industrial applications, medical care, fitness, and leisure industries, also shoe-making businesses. We ensure all new products and materials are extensively tested, evaluated, and optimized at each stage during the development process ahead of client trials and mass production. EVA GLORY offers both ODM and OEM services of EVA Foam, we are highly experienced with customization development projects with clients and fully understand the importance of each specific application need.
