About Company ❑ Provided by Customer

Ever Famous Co., Ltd. (EFC) has been in the business of designing and manufacturing custom aluminum parts, CNC machining parts, Friction hinges and car cables...etc. since 1989. We are a full service manufacturing company specialized in complex, low to mid volume, metal and plastic parts fabrication. We are die casting manufacturer with ISO 9001 or ISO/TS16949 certified manufacturers in Taiwan and China.

Custom Die Casting parts and OEM parts

Ever Famous Company is a custom aluminum die casting parts aluminum extrusion and CNC machining parts supplier. We supplying high quality aluminum and zinc die casting molding components. We offer our customers a full range of custom die casting molding and tooling building services within a world class ISO 9001/TS16949 certified quality management system.

Low to High volume molding

EFC has a virtually unlimited combined production capacity and handle high volume production for aluminum die casting and zinc die casting parts and provide technical expertise close to or at your point of delivery anywhere in the world.

EFC handles low volume for die casting parts (from 1,000pcs annually) efficiently and economically, with the same expertise, attention to detail and respect for delivery time as any high volume job.

CNC machining and surface finish service

EFC can handle all of your aluminum & zinc molding parts, whether you' re looking for the highest level of technical knowledge and high precision machining and surface finish. We provide all kinds of surface finish such as nickel plating, chrome plating, anodizing, zinc plating, powder coating, liquid painting. We allied with more than 50 manufacturers in Taiwan to provide our best technical processing and service. Please browse our website for our production and ability on www.everfamous.com and send inquiry to our company.

We are looking forward to your inquiry soon!
