### Professional team and customized services

Aesin Technology Inc. was established in 1995 and has more than 25 years of memory manufacturing experience.

Our professional production, testing and R&D engineering team provide customers with the best flexible customized services and solutions.

In addition, our products are all made in Taiwan and 95% of the manufacturing process is made by our company.

### Stable and reliable quality

In order to ensure the stability and reliability of product quality, we implement 100% product inspection and testing.

Including CDM, Power cycle, RDT, Burn In, H2, Data Retention, SMART and many other performance tests.

### High-efficiency production, on-time delivery

We have invested more than US\$2 million in production and inspection equipment in the mounting, reflow and testing.

More than 100,000 products are produced every month.

The general delivery time is about 3~6 weeks.

### International standard certification

Aesin Technology Inc. has more than 25 years of memory manufacturing experience, and we have been committed to quality control for many years.

Our company's products have FCC, CE and UKCA certification.
