## About Company

 Provided by Customer

TROY Enterprise Co., Ltd. specializes in the designing and manufacturing of Motors, Motor drivers, Controllers, and Gearbox series.

In order to establish a sales, service and credit system that is "customer-centric and meet customer needs"; Implement corporate policies and commitments to provide customers with "providing good products and services to customers and assisting customers to enhance their competitiveness". When TROY was founded in 1996, it actively introduced international quality and environmental assurance systems, ISO9001 and ISO14001. We passed the German TÜV certification in 1999 and continues to conduct systematic audits every year.

Product safety specification certification: Since 2001, we have passed SGS-CE, TÜV-CE, CQC-CCC, TÜV-UL, RoHS... and other product safety-related certifications and continuous annual inspections.

TROY is a company with an innovative spirit, design concept, and system development. We think about the features and functions of products focused on customer needs. Through the color, shape, texture for the R & D design appeal to establish the product's own characteristics and market positioning; to subvert the traditional impression of industrial products. Incorporate complex technical theories into simple, easy-to-use, and reliable products; to thoroughly implement the business philosophy of "Quality, Technology, Service all-in-one".
