### About Company

☐ Provided by Customer

Established in 1979 · Dahching Electric Industrial Co. · Ltd. is an experienced Welding Machine manufacturer specializing in the production of Resistance Spot Welders, Seam Welders, Projection Welders, Flash Butt Welders, Three Phase Welders and Capacitor Discharge Welder products.

Dahching also designs and produces many tailor made welders. Our special Seam Welding Housing has received patents and we are proud to inform you that we are the only resistance welding manufacturer to produce high quality transformers for lower power consumption. We have a high reputation in welding quality and after sales services.

We excel at manufacturing welders for products such as oil filters, shock absorbers, brake shoes, automobile / motorcycle rims & fuel tanks, cap nuts, as well as products for the auto part industry and its satellite factories, household electrical appliances, refrigerator compressors, stainless steel kitchen wares, screw manufacturers, computer hubs, water tanks, and more.

We are also able to provide full production lines for automobile/motorcycle rims, shock absorbers, water tanks, refrigerator compressors and Gratings.

Nearly 30 years of experience in manufacturing resistance welding machines with a strong desire to innovate and willingness to push the envelope has helped us to develop high quality and user friendly machines. We would like to express our interest in becoming the supplier that you are looking for; we have full confidence that we will meet all your needs.
