About Company

☐ Provided by Customer

Federal Lock company is a world-class manufacturer of top quality security products, based in Taiwan. Established over 50 years ago, Federal Lock is a family business which now has over 30 worldwide patents and registered trademarks in 36 countries. The Federal brand includes a wide range of padlocks and cylinders as well as door, window and furniture locks, all carefully engineered to meet the highest industry standards. Our ultra high security padlocks and lock cylinders have attained ASTM 883 grade 6 in the USA, Sold Secure Diamond grade and BS EN1303 in the UK and CEN 5 rating across Europe.

With a long and proud history of contract manufacture for the industry's largest distributors and most prestigious brands, Federal Lock company appreciates that every customer is unique. We work closely with all of our international partners, using the wealth of this experience to continually improve the design, durability and functionality of Federal locks. Our customers trust in our absolute commitment to accommodating the specific requirements of their market, safe in the knowledge that Federal products provide unbeatable security.

Using state-of-the-art technology, specialist modern machinery and a skilled workforce of more than 400, Federal Lock company is constantly innovating to expand into new market sectors. In this highly competitive, fast-evolving industry, we are always ready to support our customers' pursuit of new commercial opportunities. Known for our exceptional service and flexible approach, Federal Lock company guarantees the superb quality and reliability of our products, while keeping lead times to a minimum.

For a full list of the security items we manufacture and detailed specification, please see our Products page. If there is something that you are looking for which does not appear here, please do enquire and we will always do our utmost to assist you.
