About Company

☐ Provided by Customer

Over 40 years of brake experience in automotive machining products and disc brake rotor and drum for Japanese, American, European, and Korean vehicles and light trucks since 1987. During the years, CHIHON becomes a well-recognized supplier specializing in the OE market (GM, Nissan, Toyota, Mitsubishi, Hyundai, Formosa) and Aftermarket in Taiwan and export over 20 countries. In Taiwan, CHIHON was the first company who developed sporting disc of drilled and slotted design, which involved in performance/ racing sport brake parts, and brake pads. To assure our clients of the best quality, we have the ISO9001 and TS16949 for factory approval since 2005.

CHIHON has been an original manufacturer in the aftermarket and OE market for decades throughout the earlier market. President, Mr. Yeh who is the establisher persist the good quality and high effect in brake products. CHIHON started its own brand “YDL”, while passion, innovative, and honesty are taken as three major operation spirits. CHIHON products always giving customers the best brake safety.
