About Company

☐ Provided by Customer

Established in 1992, SHINMOLD is an expert of making die-casting molds and aluminum alloy products. We produce 125 to 1650T high-quality die-casting molds, the fields cover engine components, automobile and motorcycle parts, computer / communication/ consumer electronics, electrical and industrial products, which value the appearance, dimensions, air tightness and mold life. The excellent reputation has been recognized by customers at domestic and abroad, and our customers are all over Europe, Asia and America. Apart from producing a whole set of molds, we also fulfill customers’ different requirements, for example, the mold base, cavity insert, slide core and other mold components. We respond to customers’ actual needs flexibly, communicate carefully, and strive to provide the most reliable service.

SHIN MOLD THINKS MORE, we insist on thinking more for you.
