About Company

☐ Provided by Customer

TS6®, created by TENSALL BIO-TECH CO., LTD. in 1999, has its core technology based on probiotics of human origin and utilizes the fermentation of probiotics combining natural nutrition factors, herbal plants and minerals to extract the exclusive essences. We apply the results in several series including dietary supplements, feminine hygiene and health care, personal and beauty care, and baby care products. TS6® introduces the concept of natural balance by probiotics and hopes the superior products TS6® bring a better healthy, beautiful and happy life for human beings.
