About Company ❑ Provided by Customer

In 1999, Maulin successfully launched the CRISTORY Magic Jelly series, which became popular due to its ease of use and storage. Customers could focus on enjoying the flavor and visual appeal of the cube-shaped toppings.

Following this success, Maulin continued to launch several other series, including the GENISION Puree series, Pulp Sauce series, Daly Syrup & Fruit Sauce series, FlavMore Powder series, and CRISTORY Popping Boba Series. For the past 24 years, we have been producing and marketing our products to the bubble tea industry worldwide. Maulin has obtained food certificates such as ISO22000, HACCP, and HALAL to meet the demands of international consumers.

In addition to our own brands, we also offer OEM/ODM services to satisfy clients by providing competitive and high-quality products.
