About Company

☐ Provided by Customer

D.C. Medical was founded in 1988, previously known as Da Chung Plastic Co.. The core business of the company were phenolic and POM injection parts. Thanks to the expertise of plastic injection, Da Chung Plastic started producing components for medical device in 2001. To meet the regulation, Da Chung Plastic Co. introduced the international quality standard to our daily operation. As the growing percentage of the turnover comes from medical business, Da Chung Plastic Co. officially changes the company name to D.C. Medical Co. Ltd. in 2012.

With more than 30 year experience in contract manufacturing, D.C. Medical established a well-qualified team of engineers and technicians specialized in the development and production of medical devices. Today, our business partners include some of the most respectable names in the personal care and respiratory care industries. Working with D.C. Medical, you will be pleased with the product knowledge our engineers possess and the services we can provide.
