Line of Business	Manufacture of orthopedic implants and sugical instruments Manufacture of Other Basic Metals Not Elsewhere Classified Manufacture of precision machine components Manufacture of Other Medical Instruments and Supplies Manufacturer of special dies & tools, die sets, jigs & fixtures & industrial molds Wholesale of Other Machinery and Equipment	
Main Products	Orthopedic implant Artificial intervertebral disc Bone screw Bone nail Pedicle screw Bone plate Surgical instruments Spinal fusion system Spinal fixation system One-stop shop for medical device manufacture Rapid prototyping CNC milling manufacture service CNC turning manufacture service	
Brand Name	YSF YSF Medical	
SIC Code	38410000, 50840000, 33990000, 35449902	
Employee Here	20~49	
Employee Total	20~49	

YSF Medical is a Taiwan-based OEM manufacturer specializing in orthopedic implants and surgical instruments, with over 30 years of industry experience. We deliver precision-engineered solutions for global medical device brands, ranging from rapid prototyping to scalable production.

Our ISO 13485-certified facility features advanced CNC milling and lathe capabilities. We specialize in machining biocompatible materials, including PEEK and Ti-6Al-4V titanium, to support high-performance implants across a wide range of surgical applications.

Our product range includes:

Interbody Fusion Devices: PEEK and Composite Cages Engineered for Spinal Support.

Pedicle screws and spinal fixation systems: Designed for minimally invasive surgery (MIS), with proprietary thread-locking and patented deep-hole machining.

Trauma screws, plates, and fixation sets: Titanium and SUS316L-based solutions for both small and large fragment systems.

Custom Surgical Instruments and Orthopedic Components: Tailored to client specifications.

We are a reliable partner for companies seeking consistent quality, flexible production, and transparent communication. Our services include design for manufacturability, surface finishing, in-process inspection, and comprehensive quality control throughout the entire production cycle.

Our Environmental, Social, and Governance (ESG) initiatives encompass the use of solar energy, LED lighting, and waste reduction. We are promoting digital transformation through the integration of Enterprise Resource Planning (ERP) systems, digital quality management systems, and intelligent production planning.

Connect with us to discover how YSF Medical can support your next project with precision, reliability, and long-term value.
