About Company

☐ Provided by Customer

PURITRON International Inc., founded in 1994, is one of the major development, design and manufacturing companies in the Industrial Panel PC and POS industry. PURITRON is a professional hardware solution provider for these systems, peripherals and related products. With the exceptional R&D-oriented designing and development capabilities, PURITRON not only offers a full range of Industrial Panel PC and POS related products, but can also respond quickly to the rapid-changing marketplace and provide customer-specific products at the highest level of competency in quality, reliability and service.

PURITRON International Inc. is more than Industrial Panel PC and POS hardware systems provider; our utmost guideline is to bring complete solution and satisfaction to each of our world-wide partners and end-users through:

1. Product creativity and innovation
2. Constant manufacturing process improvement
3. Maintenance of the highest quality of products and service

PURITRON International Inc. strives to be a professional OEM/ODM provider and aspires to create mutually beneficial situations with our global partners.
