### About Company

☐ Provided by Customer

JAW-DROPPER Headquarters is located in Taiwan for RF coaxial cable connector, RF coaxial cable assembly, CNC Turning outsourcing manufactures.

JAW-DROPPER can provide professional OEM and Customized production. With 15 years of experience in connectors manufacturing we can also provide huge quantity. In recent years we have grown as the main preferred supplier in the RF industries.

JAW-DROPPER group has full experience in manufacturing, product testing and shipping process.

JAW-DROPPER THREE GREAT GUARANTEES: First Quality, Quickest shipments and Reasonable price.

JAW-DROPPER management team has high sensitivity for environmental protection: attention to ecology has never been absent. In accordance with ROHS electronic raw materials we focus on getting the best protection for the Earth's environment.

JAW-DROPPER insists on the practical, active, innovative and persistent spirit to carry out marketing tasks. Based on Taiwan, we are going to take international marketing oriented strategy to replace the original domestic sales strategy and take part in the global competitions. Now it has successfully entered the European, American, Asian and Austrian markets. Meanwhile, in actively strengthens the international marketing performance and regularly participates in the world-level electronic trade shows to increase the opportunities, and getting in touch with customers as well as seeking for international factories technical cooperation, to set up distribution to offer customers more convenient and faster
